La'Faye Cason

FOUNDER OF GIRLFRIENDS, INC.
Author of "Dear Daddy,
Dear Mommy, Dear Me"

Wanting and dreaming to work with girls and give back to my community was just that, a dream and a want. Once I started working with Q it became more, it was birthed. It happened. I founded my own nonprofit organization, Girlfriends, Inc. She walked me through the entire process, step by step. She offered ideas, gave direction and supported it in every aspect. She inspired and encouraged me and showed tough love. ON TOP of that, she told me I would write a book. That was not a want or dream, but the way she hyped it up by encouraging me and believing in me, I did it. I quit about 50 times and Q was right there to pick me up and keep me in line. I dedicated my first book to my midwife in success, thank you
